The screenshot shows the 'Register' page of the Cool Capital Challenge website. The page is divided into two steps: 'Step 1 Carbon Calculation' and 'Step 2 Carbon Reduction'. The 'Register' section is currently active, and it prompts the user to confirm their pledge by entering personal information. The form includes fields for Zip Code, E-Mail, Password, First Name, User Name, Verify Password, and Last Name. There are also checkboxes for receiving tips, allowing contact from the team leader, and helping other people. Below the form, there are dropdown menus for selecting teams to allocate the challenge to, with 'Other' and 'Business' selected for Team 1 and Team 2 respectively. A 'New Team Name' field contains 'My friends'. On the right side, a dropdown menu is open, showing a list of existing teams such as 'Cabin John', 'CafeMontgomery', and 'Add a New Team'.
